

NOTICE

HAP Certification Is Now Closed

Due to program changes, Miami-Dade Economic Advocacy Trust is no longer accepting new HAP participation at this time and thus the MDEAT HAP Participation Lists are closed for new participants.

MDEAT Housing Division is conducting a comprehensive assessment of the lender and closing agent certification process as well as the participation guidelines and procedures. Until the assessment is completed, MDEAT will not conduct HAP Certification and Participation workshops for new participants. The assessment is anticipated to continue throughout the remainder of the 2015-2016 fiscal year. Once completed and a workshop is scheduled, MDEAT will post the HAP Certification and Participation Workshop notice on its website at **www.MiamiDade.gov/EconomicAdvocacyTrust**. Please check the website beginning November 2016.

If you would like MDEAT to add you to a notification list, please email your request to **MDEATInfo@MiamiDade.gov**. However, it is the responsibility of anyone interested in attending a workshop to check the website periodically in the event an email notice is not received.

Thank you.
